Islamic Mandala Colouring Page	8
Girih Star Pattern Colouring Page	9

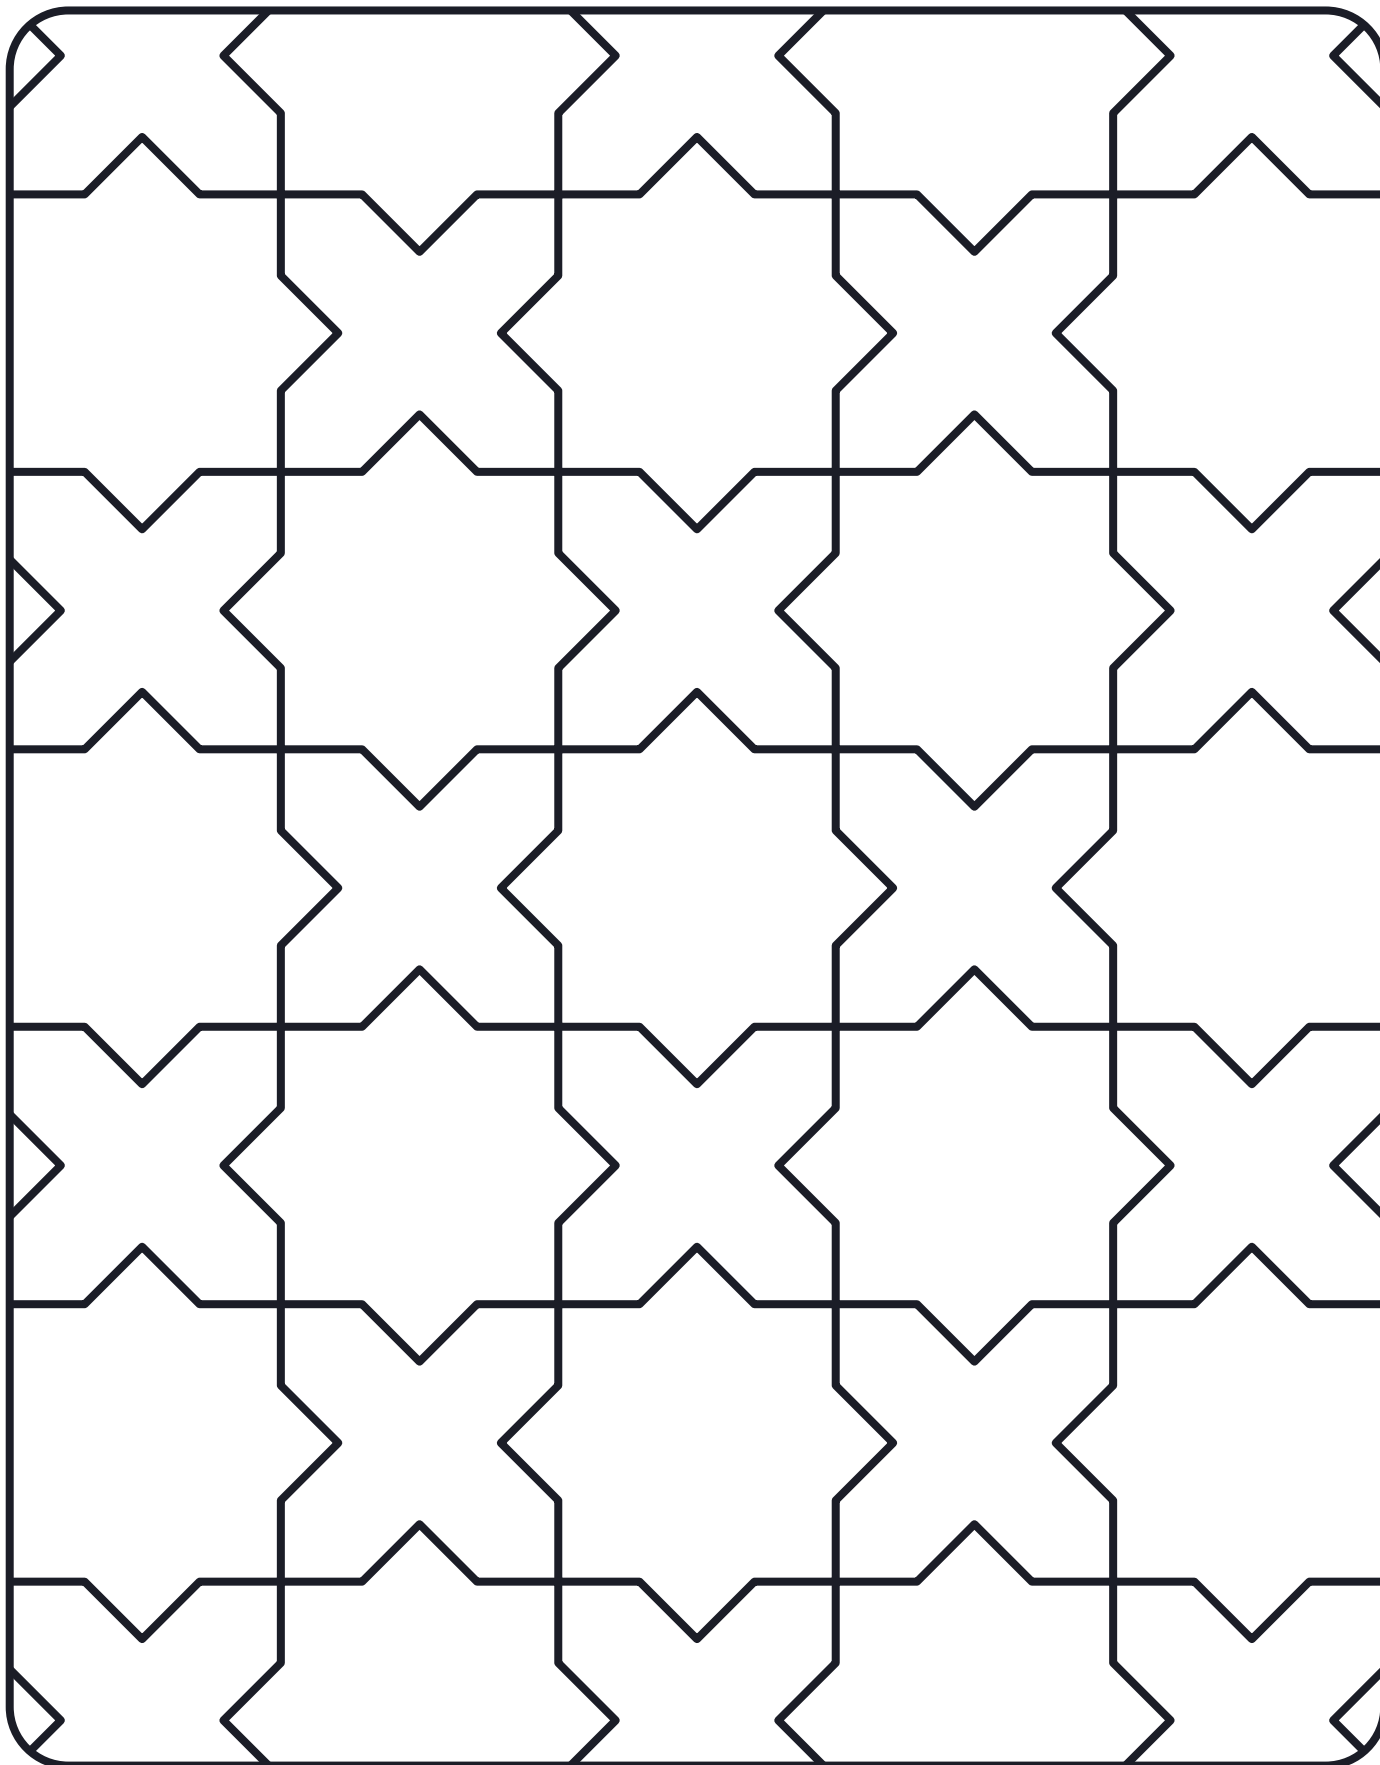

8-Point Star Pattern

Big eight-point stars and crosses. Colour the stars one colour and the crosses another!

Name _____

Date _____

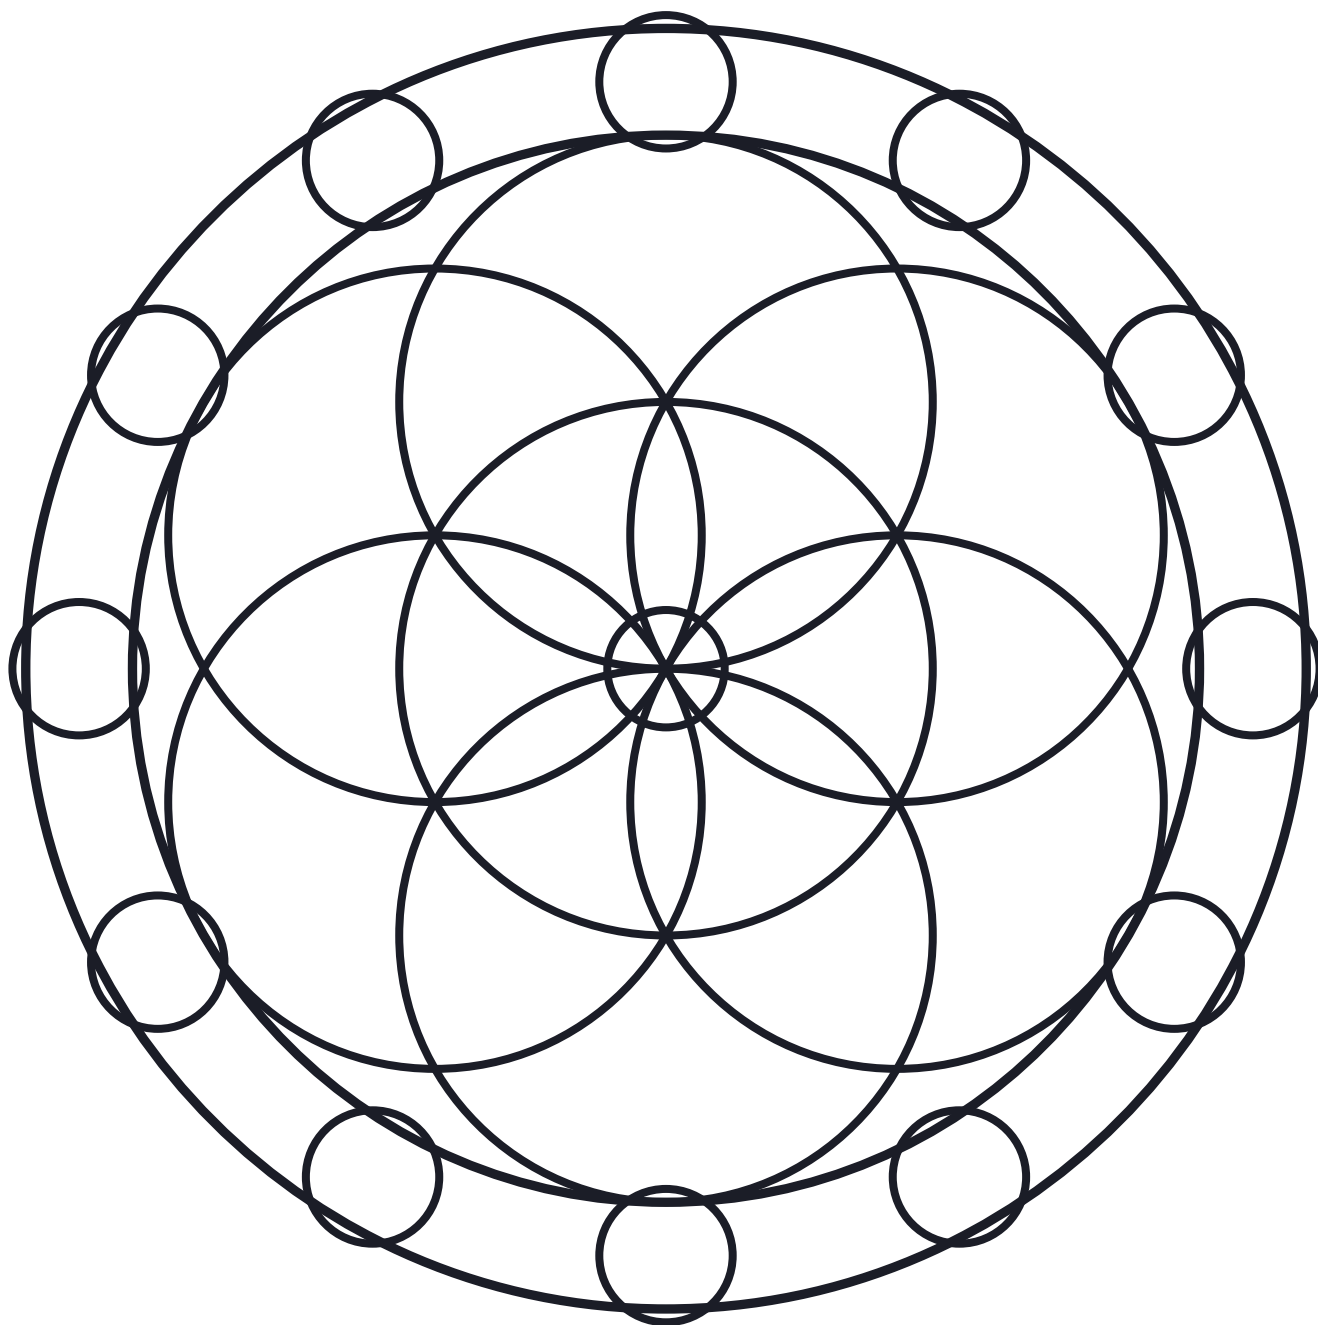

Islamic Rosette

Overlapping circles make a six-petal rosette. Colour the petals, then the shapes around them.

Name _____

Date _____

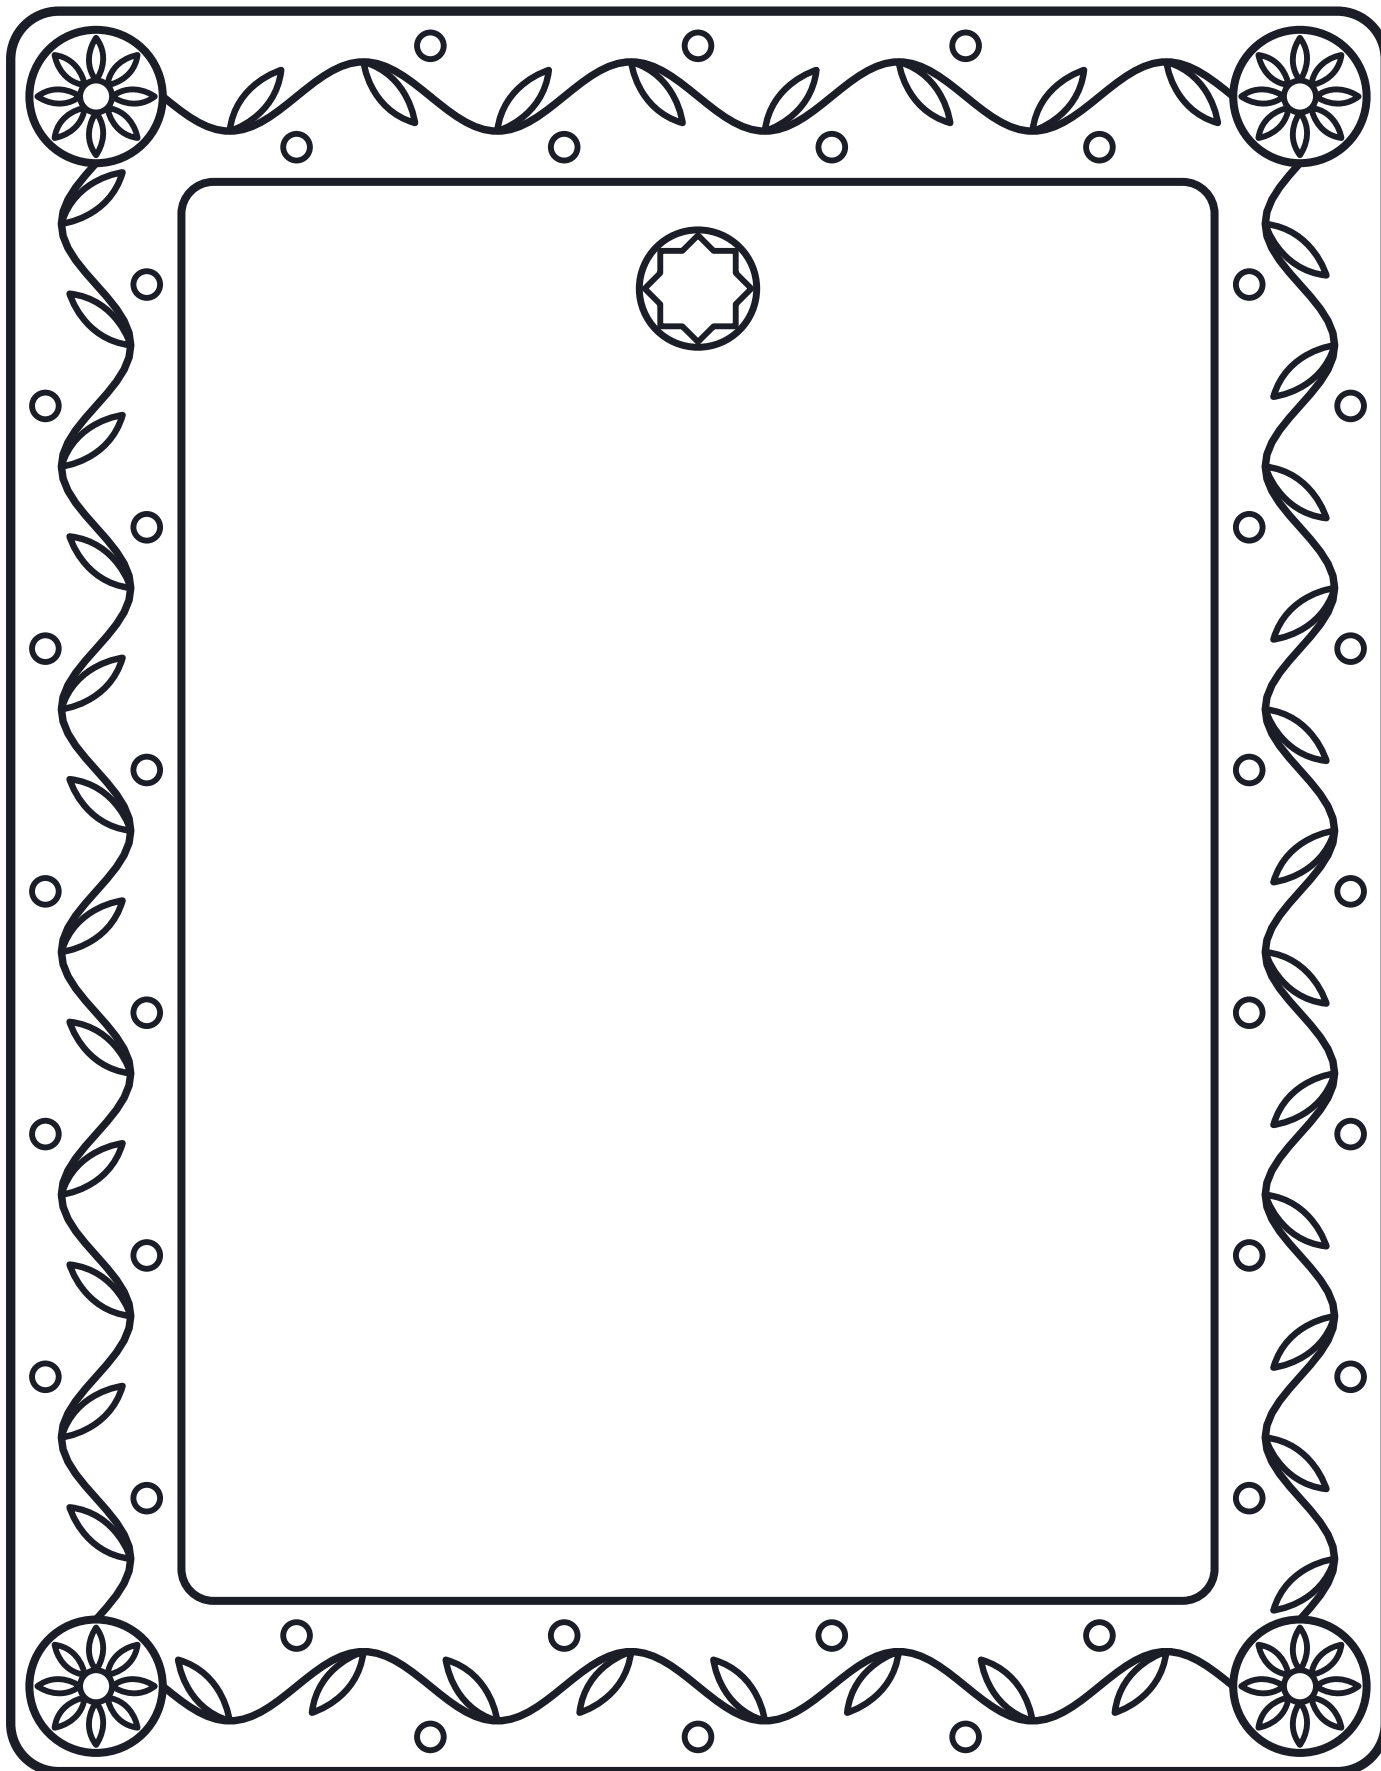

Arabesque Border

Name _____

Date _____

Colour the leafy border, then draw or write something you love in the middle.

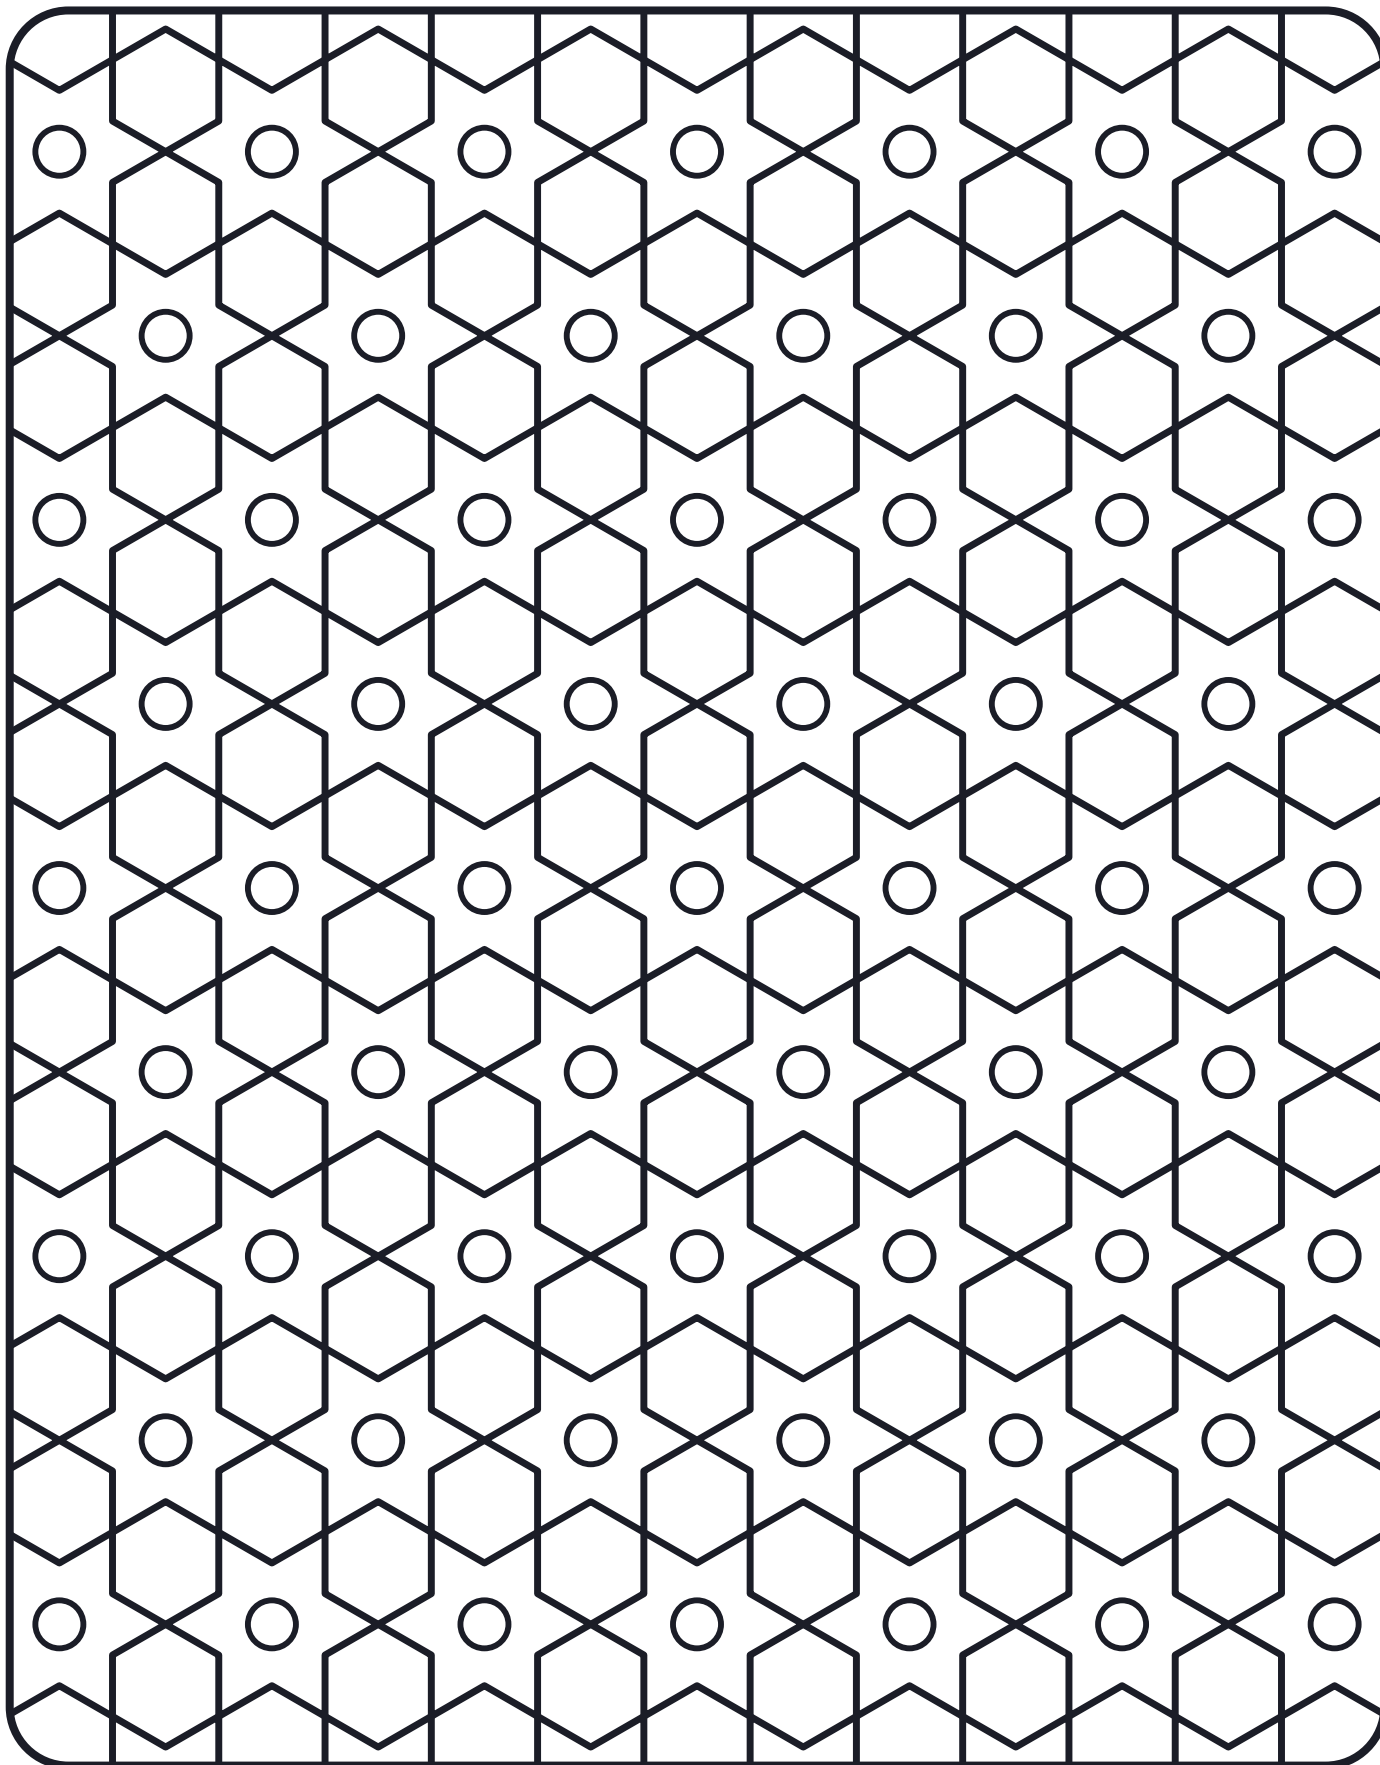

Six-Point Star Pattern

Six-point stars linked together. Colour the stars, then the shapes between them.

Name _____

Date _____

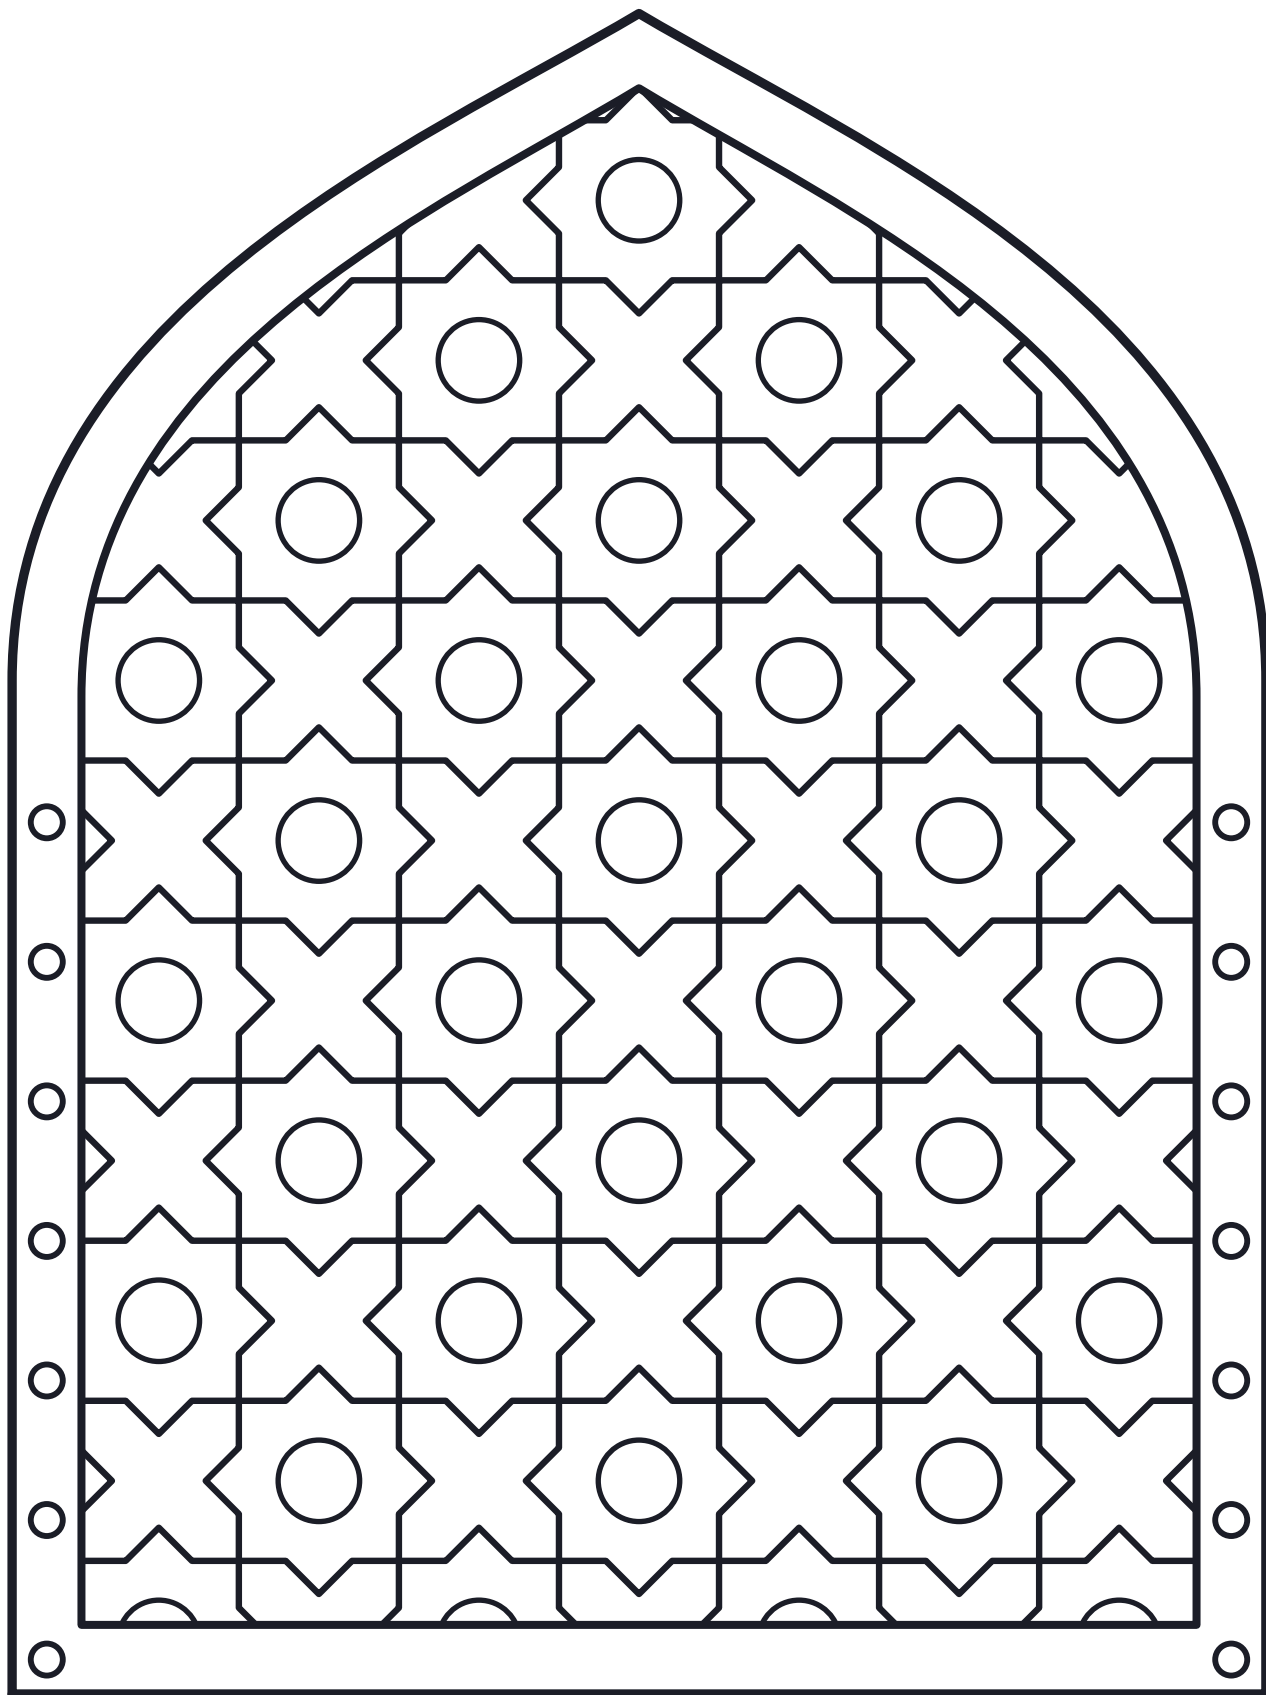

SunnahPanda

Islamic Arch Window

A star-and-cross pattern inside a masjid window. Colour the stars, crosses and frame.

Name _____

Date _____

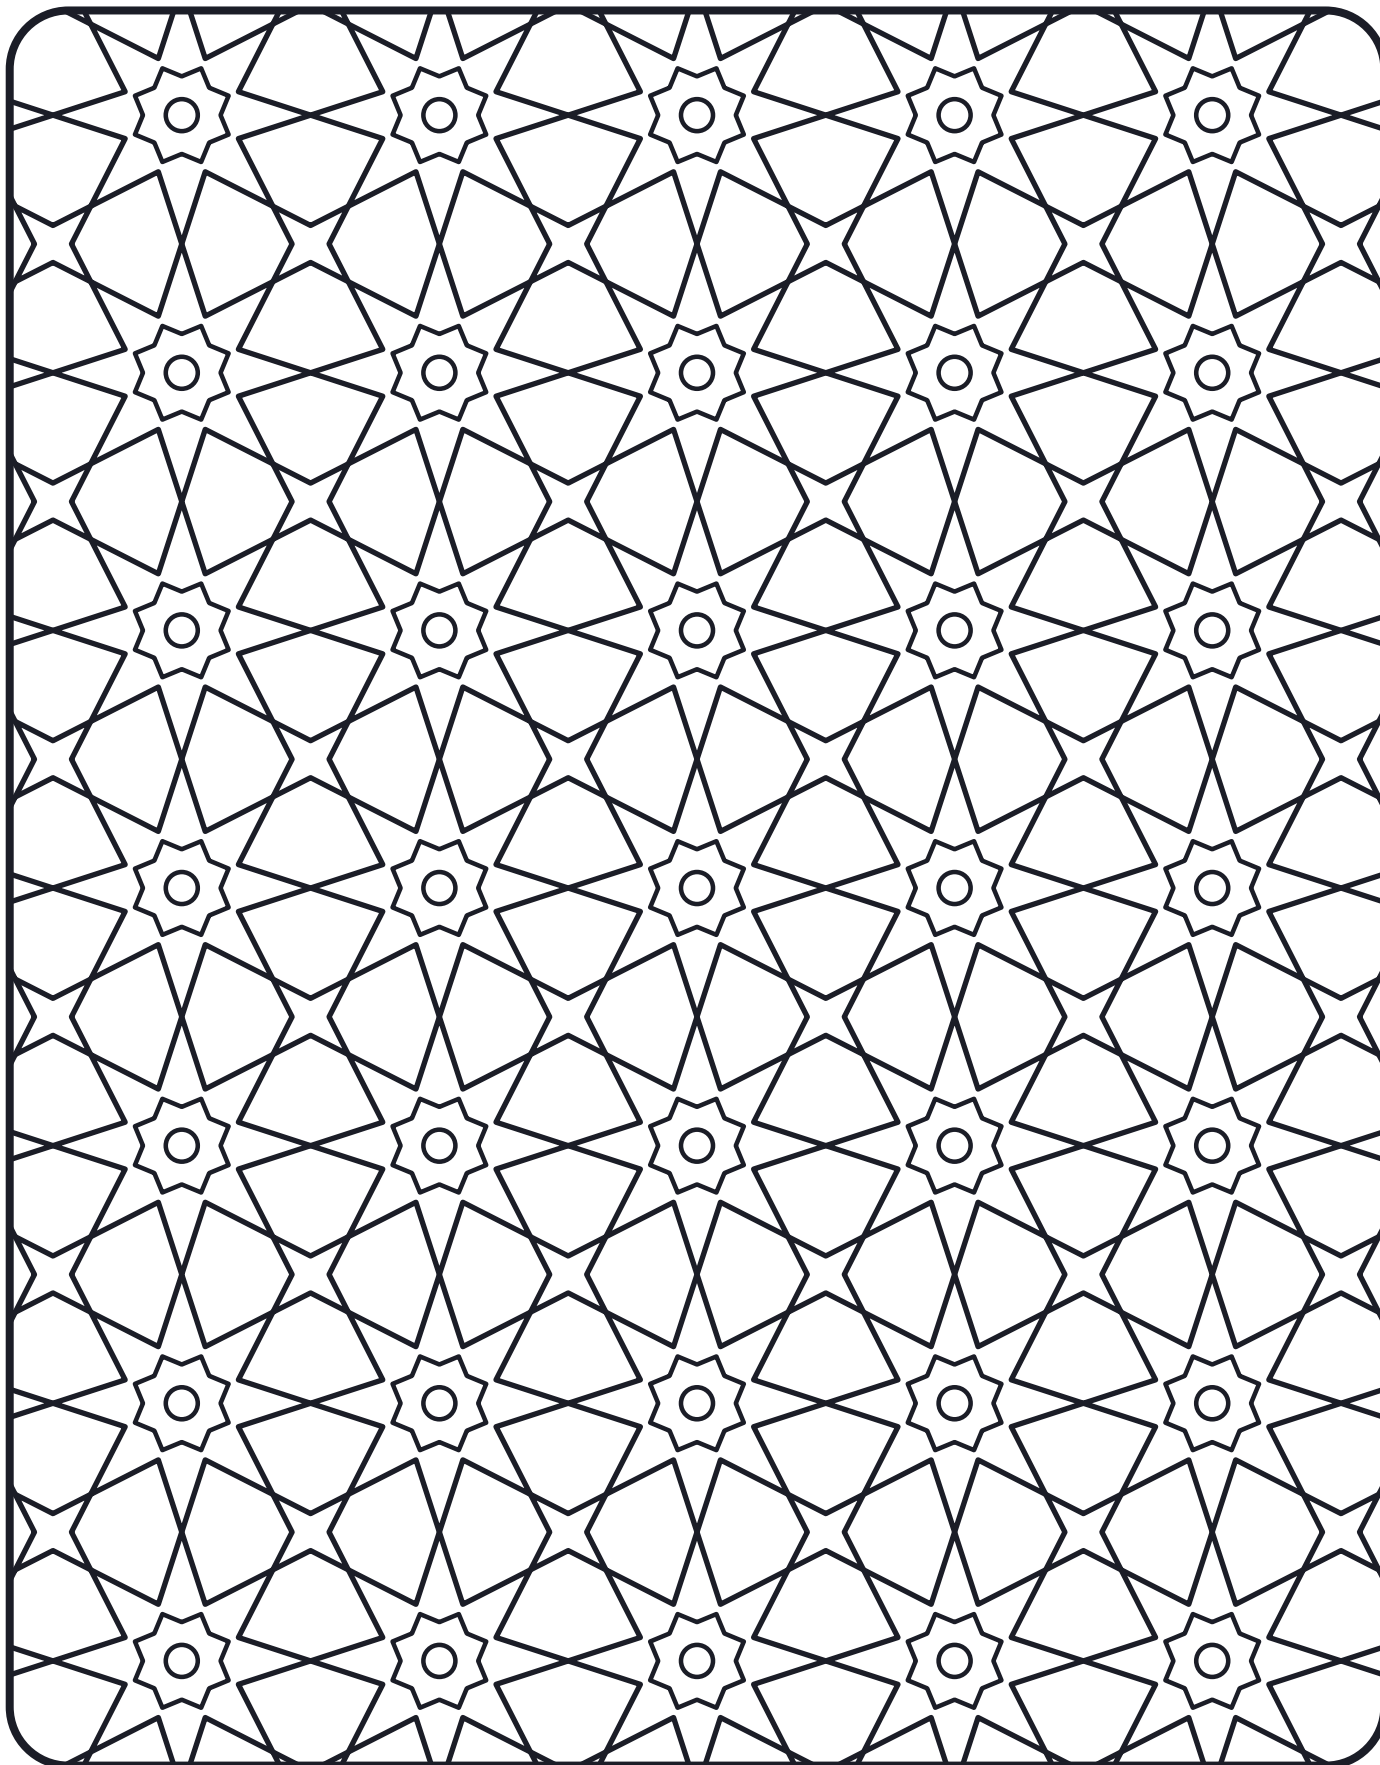

SunnahPanda

Islamic Geometric Pattern

Name _____

Eight-point stars that go on forever. Pick a colour for each kind of shape.

Date _____

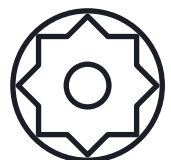

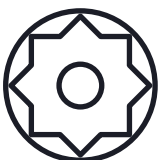

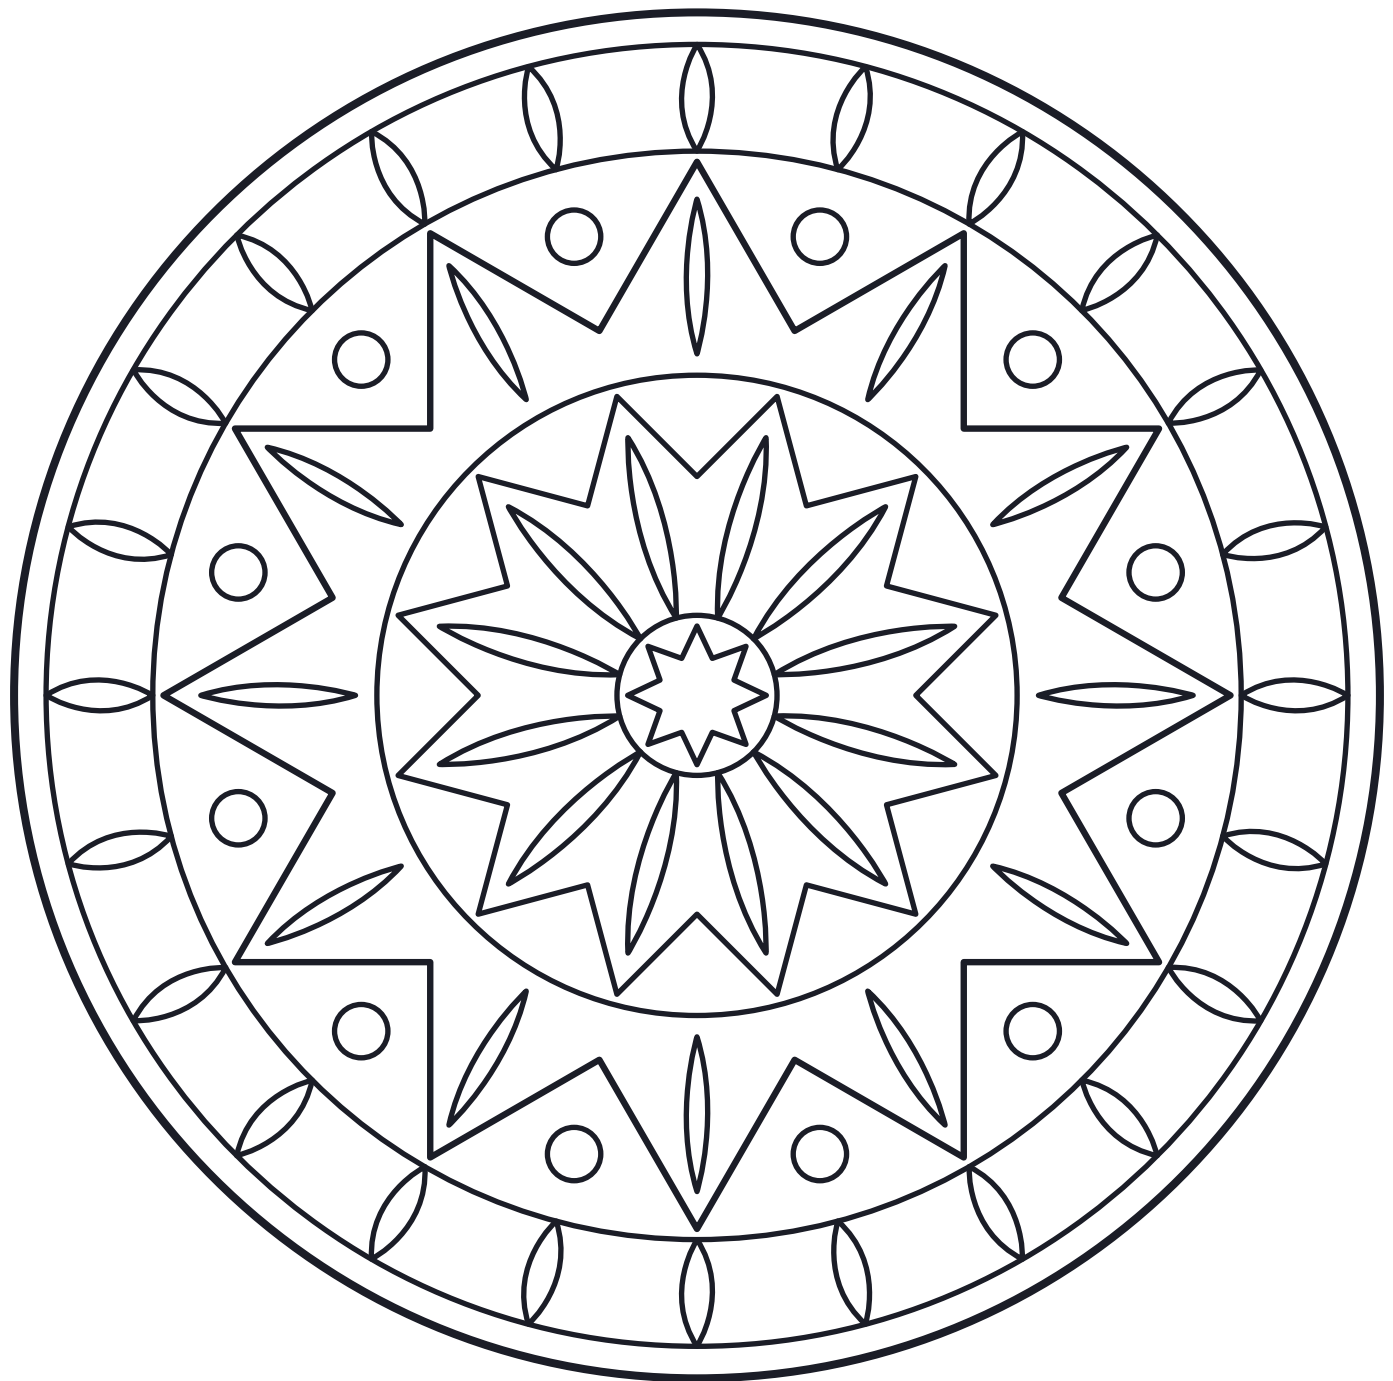

SunnahPanda

Islamic Mandala

A detailed 12-fold rosette. Take your time and use lots of colours.

Name _____

Date _____

Girih Star Pattern

Twelve-point stars in a girih-style pattern. A slow, calm colouring challenge.
